## Multi level marketing

---

Multi level marketing  
is legal apart from in  
China

---

Multi level marketing  
is a business strategy  
often used by direct  
sales companies

---

If a company has a  
real product or  
service and gives  
value it is Multi level  
marketing

## Pyramid scheme

---

A pyramid scheme is  
totally illegal

---

A pyramid scheme  
has only one goal and  
that is to take your  
money and give  
nothing in return

---

If a company has no  
real real product or  
service that can be  
sold and delivered it  
is a pyramid scheme
